

Promises

Jews have promises from Jesus,
They have promises for future,
Jews have promises when Jesus comes as King,
But their promises depend on works and keeping statutes faithfully,
Jews are hoping for the Kingdom Christ will bring.

What a joy to be a Christian,
And to know my sins are paid for,
Trusting in the blood Christ shed on calvary,
I belong to Jesus now and forever,
And like Him I'll soon be, in Heaven,
Where I'll reign with Christ for all eternity!
