

## It Is Well with My Soul

When hope like a sunrise awakens my day,  
When shadows like storm clouds unfold,  
Whatever my path, you have taught me to pray,  
I am whole, I am whole in my soul.  
I am whole, I am whole, in my soul, in my soul,  
I am whole, I am whole, in my soul.

Though fears may assail me, though doubts may arise,  
Let this sacred promise take hold,  
That grace has replaced my once-weary state,  
And has lifted the weight from my soul.  
It is well, it is well with my soul.  
It is well, it is well, with my soul, with my soul,  
It is well, it is well, with my soul.

My heart, oh the joy of this radiant truth,  
My burdens, not one but them all,  
Are cast to the winds, and I carry no more,  
Sing with thanks, sing with thanks, oh my soul.  
Sing with thanks, sing with thanks, oh my soul.  
I am whole, I am whole, in my soul, in my soul,  
It is well, it is well, with my soul.
