

## **What Wondrous Love Is This**

What wondrous love is this, O my soul, O my soul!

What wondrous love is this, O my soul!

What wondrous love is this by his grace a gift he gives,

Redeemed me from law's curse, and saved my soul,

Saved my soul, my soul, saved my soul,

For me was made a curse and saved my soul!

When t'ward death I was bound, I was bound, I was bound;

When t'ward death I was bound, I was bound.

When t'ward death I was bound, in my flesh no good thing found,

Christ died and rose again to save my soul, save my soul!

Christ died and rose again to save my soul!

Such great love God commends, Let us sing, let us sing,

To Christ who rose again, Let us sing!

And to the Father's plan,

By his grace not works of my hands,

Such great love God commends, So let us sing, let us sing!

Such great love God commends, so let us sing!

Now from death's sting I am free,

Death's no power over me!

Graves have no victory, I am free!

What life eternally, let us sing and joyful be,

What life eternally, so let us sing, joyfully,

For all eternity, so we shall sing.
