

Jesus Paid It All

For nothing good I have whereby Thy grace can claim,
Through faith should hence-forth live for Him who rose again.
Jesus paid it all, this I do now know,
Sin was leading me to hell, He washed me white as snow.

I now know that Jesus died to save me from my sin,
I've committed now to hence-forth live for Him who rose again.
Jesus paid it all, this I do now know,
Sin no hold upon me now, He washed me white as snow.

And now before my God, I will stand in Him complete,
Jesus died, my soul to save, for eternity I shall repeat.
Jesus paid it all, this I do now know,
Sin will be rid from me, He washed me white as snow.

Jesus paid it all.

Jesus paid it all.
