

## No Other Plea

My soul has found tranquility, No longer would I try,  
To add to Calvary's finished work; Complete in Him am I.  
I need no other argument, I need no other plea,  
It is enough that Jesus died, and that He died for me.

Complete in Him, my Living Lord, Whose perfect work is done,  
And now God sees me justified, Complete in Christ, His Son.  
I need no other argument, I need no other plea;  
It is enough that Jesus died, and that He died for me.

Oh precious Word, O glorious fact, The Truth which makes men free,  
Is all of Grace, and Grace alone; Complete in Him are we!  
I need no other argument, I need no other plea;  
It is enough that Jesus died, and that He died for me.
