

## I Heard Them Tell

I heard them tell what God did say at sundry times in divers ways,  
Through prophets old, God's story told; He spoke it since the world began.

God showed the Jews one day He'd come to rule on Earth in their Kingdom,  
This was the plan that all had known; They heard it since the world began.

God gave to Paul the mystery of Christ's shed blood on Calvary,  
The meaning of which had been hid; Kept secret since the world began.

Both heaven and earth gathered in one; All things in Christ, His will is done,  
God's wisdom known, the mystery shown; Ordained before the world began.
