

In the Cross

Standing fast in liberty,
Through the Spirit I am waiting,
For the hope of righteousness,
God's grace never abating.
In the cross, in the cross, be my glory ever.
Christ alone! My sin atoned,
By His blood forever.

Frustrate not the grace of God,
Works can never save thee,
Trust the work that Christ has done,
By His cross at Calvary.
In the cross, in the cross, be my glory ever.
Christ alone! My sin atoned,
By His blood forever.
