

To Make Men See The Mystery

We study God's word rightly divided,
We study God's word rightly divided,
We study God's word rightly divided,
Do you know the mystery?

We learn God gave Paul a dispensation,
We learn God gave Paul a dispensation,
We learn God gave Paul a dispensation,
The age of grace hid in a mystery.

We have been stablished to preach the gospel,
We have been stablished to preach the gospel,
We have been stablished to preach the gospel,
Once they believe, show them the mystery.

We have a mission from Christ to follow,
We have a mission from Christ to follow,
We have a mission from Christ to follow,
To make all men see the mystery.

We are the members of Christ's own body,
We are the members of Christ's own body,
We are the members of Christ's own body,
We preach to all the mystery.
