

Save The Cross Of Christ

Faith in the Lord who was crucified,
Then to my sin was the blood applied;
Nothing in me should be glorified,
Save the cross of Christ.
Glory in the cross of Christ,
Glory in the cross of Christ,
Nothing in me should be glorified,
Save the cross of Christ.

I am so wondrously saved from sin,
Jesus completely abides within;
There is nothing more I should glory in,
Save the cross of Christ.
Glory in the cross of Christ,
Glory in the cross of Christ,
There is nothing more I should glory in,
Save the cross of Christ.

Christ crucified this old world to me;
Now I can live for the heavenly,
For in this world there's no hope I see,
Save the cross of Christ.
Glory in the cross of Christ,

Glory in the cross of Christ,
For in this world there is no hope I see,
Save the cross of Christ.
